

Press release

## **SHL Telemedicine announces it is exploring dual listing on another leading Stock Exchange in the US or on the Tel Aviv Stock Exchange**

*The initiative intends to expand investors' access to SHL's international activity and support SHL's strategy to significantly expand the use of SmartHeart™ technology in the US*

**Tel Aviv / Zurich, 22 February 2021** – SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN) ("SHL" or "the company"), a leading provider and developer of advanced personal telemedicine solutions, announced today that the company has begun exploring the possibility of dual-listing for trading on another stock exchange. The alternatives being considered by SHL include listing on a leading US stock exchange, one of the company's main target markets, as well as on the Tel Aviv Stock Exchange.

SHL is implementing its strategy for a significant expansion of the use of SmartHeart™ technology in the US, and the initiative for dual-listing on another stock exchange is intended to also make the company's activities accessible to international investors as well as expand its existing investors' base.
