## **SHL Telemedicine German operation awarded a large Contract for providing Telehealth Services to Geriatric Patients of AOK Rheinland-Pfalz/Saarland**

**Tel Aviv / Zurich, 1<sup>st</sup> of November, 2021** – SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, today announced that its German subsidiary was awarded a multi-year large Telehealth contract following a tender, to provide services to Geriatric patients of AOK Rheinland-Pfalz/Saarland – Die Gesundheitskasse.

“As we continue to broaden the scope of our telehealth services in Germany, we are very pleased to have been chosen by AOK Rheinland-Pfalz/Saarland to provide our telehealth services to their Geriatric insured. The telehealth service is provided to both the Geriatric patients and their caregivers through various tools, including via an App, leading to improved quality of life of the patients as well as reduced hospital stays and costs to our AOK customer” commented Erez Nachtoy, CEO of SHL Telemedicine. “We are confident in the success and continued growth of our German business by continuing to provide our service offerings and through the launch of new contracts, offerings and technologies.”

AOK Rheinland-Pfalz/Saarland is the largest health insurer in Rheinland-Pfalz and Saarland and serves a total of 1.2 million insured persons and 85,000 employers. With 46 customer centers, around 300 service points and around 1,000 regional health offers each year, the health insurance provides its insureds with health-related services close to home.
