

Press release

## **SHL Telemedicine expands reach in India. To provide its telemedicine services in the greater Mumbai region.**

**Tel Aviv/Zurich, 23 July 2013** - SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, is pleased to announce the expansion of its telemedicine services in the Indian healthcare market, to be offered also to the patients of the Jupiter Hospital healthcare system in the greater Mumbai Region. SHL is expecting to generate USD 1 to 5 million over the course of three years from this collaboration.

The SHL telemedicine solution will be offered to patients of the Jupiter Hospital, as part of their ongoing out of hospital patient care and to the medical professionals. SHL shall provide the telemedicine service using its advanced telemedicine technologies, including the new smartheart device.

“As previously stated, we are convinced India can serve as an additional significant growth engine for SHL in the coming years. We are on track in realizing our plan to launch our services in the Indian healthcare market and are in advanced stages to enter a series of collaboration agreements with leading Indian hospitals.” stated **Erez Alroy, Co-CEO** of SHL.
